Present Address: Quaid-e-Azam University Hostels, Islamabad.

Profile Summary

A result-oriented MPhil Chemistry scholar with a strong teaching background, research, and academic leadership. Experienced in green synthesis of nanoparticles, curriculum planning, and co-curricular engagement. Recognized for excellent communication, mentoring, and organizational skills

Education	Duration	%age (GPA)	Institution Name
• M. Phil Chemistry	2025	Present	Quaid-i-Azam University, Islamabad.
• BS Chemistry (4 Years)	2024	2.97	University of the Punjab, Lahore.
• Associate Degree in Science (Chemistry, Physics, Mathematics)	2022	52%	Govt. PG College, Okara (Univ. of the Punjab).
• H.S.S.C Pre-Medical	2020	87%	Govt. PG College, Okara (BISE Sahiwal).
• S.S.C. Science Group	2017	83%	Govt. High School 32/2L, Okara

Achievements

- Secured admission to **MPhil Chemistry** at Pakistan's prestigious institution, **Quaid-i-Azam University (QAU),** in February 2025
- Achieved **First Prize** in **Debate** Competition at **Division Level**, **Sahiwal**, 2021
- Secured **First Prize in Kalam-e-Iqbal** Competition, Division **Faisalabad,** 2022
- Won **First Prize** in **Naat Competition** at Pioneer Festival **2024, University of the Punjab**, **Lahore**
- Active Member of the **Co-Curricular Activities Group**, University of the Punjab, Lahore
- Served as **Class Representative (CR) throughout** Post Graduation, Graduation, Intermediate, and Matriculation owing to **strong communication skills** and confidence
- Recognized as an Excellent Member of the **Naat Society**, University of the Punjab, Lahore

Experiences

- Worked as a Chemistry Teacher (Matric & Inter) at **Unique Science Academy**, Johar View Campus, Lahore from **January 2024** to **February 2025**
- Taught Chemistry, Physics and Mathematics (Matric) at **The Educators**, Noor Campus, Okara from **2019** to **2022**
- Facilitated Matric and FSc students for all science subjects in **Sunshine Academy** from **June 2020** to **December 2021**
- Assisted in the **Administrative Operations at PAFDA** during the **CM Internship** program in December 2024.
- Designed comprehensive lesson **plans**, aligning with curriculum standards to promote understanding of key concepts for **Cambridge students** in **Block G 374 Johar Town** Lahore, from **June 2023** to **October 2024.**
- Effectively engaged with **Beaconhouse Students** in preparing and completing all tasks of lesson plans; taught completely in English, at Islampura near M.A.O College Lahore from **August 2024** to **December 2024.**
- Delivered **Basic conceptual** lectures to Primary, Middle, and Matric classes at **Oxford Academy Model Town** from **August 2020** to **December 2022.**
- **Mentored students** in academic and **extracurricular activities** at college and university levels, including NAAT and SPEECH competitions.
- Collaborated with **fellow educators** to enhance instructional techniques and improve overall student performance in **Chemistry and research** at the **University of the Punjab**, Lahore, from **January 2022 to September 2024**

Volunteer Projects

- **Organized** and **participated** in a tribute function at the Chemistry Department, **QAU,** to honor **Pakistan's armed forces** for their victory in the **2025** India-Pakistan war.
- **Facilitated and guided** willing students in preparing for the MPhil **admission test** for Quaid-i-Azam University (QAU), Islamabad.
- **Re-established** the **medical box** of the Chemistry Department, University of the Punjab.
- Led **senior and junior students** at the University of the Punjab in various **recruitment drives** and career counseling sessions, providing **guidance** and coordination to support their **academic and professional growth**.
- **Coordinated** Sports Mela 2023, **(PUSC)**, University of the Punjab, Lahore
- **Organized** multiple class **events**. PUSC, University of the Punjab, Lahore.
- **Arranged and participated** in the Annual Dinner management committee, **PUSC, Lahore in December 2024.**

Research Projects

- **Green Synthesis** of Calcium oxide **Nano-particles**, and their **applications** in the degradation of dye under the supervision of **Dr. Imran Din** at the School of Chemistry, University of the Punjab, Lahore, **2024.**
- Applications of Green Synthesized Calcium Oxide Nanoparticles in **Electrochemical Sensing** for the detection of **Urea** under the supervision of **Prof. Dr. Adeel Afzal** at the School of Chemistry, University of the Punjab, Lahore.
- Synthesis of **copper-supported titanium oxide metal catalysts** and their applications in Degrading Methyl Orange Dye, **2024.**

Memberships & Participations

- Member of the **LTOD Literary Society** at **Quaid-i-Azam University, Islamabad.**
- Official of **Events Management Committee**, Islamic Center **Hostels**, University of the Punjab, Lahore.
- Active Member of **Pakistan Universities Students HUB** for Admission and Scholarship Guidance **(2023, 2024),** organized by University Hub Pakistan **(UHP)**
- Participated in the 1st National Inter-University Naat Competition, Green International University (GIU), Lahore, 27 September 2024.
- Registered member with the **Student Readers Society**, University of the Punjab, Lahore.
- Member of the **Pioneer Debating Society**, University of the Punjab, Lahore.
- Participation in Ghazal and singing in the **CM talent hunt** Program 2020, Al-Hamra Hall Okara.
- Participated in the **Province Level** Speech **Competition** organized by **NAB** (National Accountability Bureau) **Pakistan** in 2022, at **Al-Hamra** Arts Council, Lahore.
- Participated in **a seminar** on challenges of **over-pollution** and environmental hazards in 21st Century at **Al-Razi** Hall, University of the Punjab, Lahore.

Technical Skills

Effective Knowledge about Following;

- Microsoft Office
- UV-Visible spectrometer
- Origin Graphing
- Palm Sensing Device
- IR- Spectroscopy
- Spectrophotometer
- Polarimeter
- Microwave Oven
- Viscometer

Interests

- Electrochemical Research
- Singing
- Naat Recitation
- Effective Communication
- Green Nanotechnology
- Photocatlysis
